## AFRAID TO EAT

Get Starving, an Poorly Selected Food.

"Several years ago I was actually starving," writes a Mr. girl, "yet dared not eat for fear of the consequences. I had suffered indigestion for over a year, irregular meals and improper food, until at last my stomach became so weak that I could scarcely eat any food without great distress. Many kinds of food were tried, all with the same discouraging effects. I steadily lost weight and strength until I was but a wreck of my former self. Having heard of Grape-Nuts and its great merits, I purchased a box and, but with little hope that it would help me—I was so discouraged. I found it not only appetizing but that I could eat it as I liked and that it satisfied the craving for food without causing distress, and if I may say the expression, 'it filled the bill.' For months Grape-Nuts was my principal article of diet. I felt from the very first that I had found the right way to health and happiness, and my anticipations were fully realized. With its continued use I regained my usual health and strength. Today I am well and can eat anything I like. Grape-Nuts food forms a part of my bill of fare."

## IF CHILD IS CROSS, FEVERISH AND SICK

Look Mother! If tongue is coated, cleanse little throat with California Syrup of Figs.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clothing with waste, liver gets sluggish, stomach clogs, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See what California Syrup of Figs. can do in a few hours at the constipated waste, sour bile and undigested food packed out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs." because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

With the civilized world anxiously seeking a specific for Lung Trouble, the number of recoveries brought about through the use of Eckman's Alternative, a medicine for Throat and Lung Troubles, is attracting universal attention. For fifteen years Eckman's Alternative has been used and the reports of recoveries in many supposed hopeless cases indicate that this medicine is doing a vast amount of good. Read this—

23 B St., Koyser, W. Va. "Gentlemen—I was taken sick in November, 1908, with a very bad cold and dry spell. The doctor then pronounced my case as Malaria Fever. I grew steadily worse. Had two consultations held over me, and the doctor said that the fever had affected my lungs and that my case was hopeless, only gave me two months to live. My physician had tried most all kinds of treatment and none did me any good, so he asked a proprietary objected to him trying a proprietary medicine. So I began on your Alternative. I was in bed from November 10, 1908, until February 25, 1909, and was thought dying several times. Today I am healthier and stronger than ever."

(Signed) MRS. H. K. BRILEY. (Above abbreviated; more on request.)
